Dear Mr. Whitt:

This letter is prompted by the Commission's review of documents filed by your committee. On August 26, 1997 your committee filed a Statement of Organization (FEC FORM 1) informing the Commission of your affiliation with the PepsiCo Concerned Citizens Fund. On October 7, 1997, your committee filed an amended Statement of Organization informing the Commission that your committee was no longer affiliated with the PepsiCo Concerned Citizens Fund.

Please clarify the nature of the circumstances that led to your committee's initial affiliation with the PepsiCo Concerned Citizens Fund and the disaffiliation that took place shortly thereafter.

If the Commission can be of further assistance to you in this matter, please feel free to contact me on our toll-free number, (800)424-9530. My local number is (202)694-1130.

Sincerely,
